

LOUISVILLE OCTOBERFEST SET FOR OCTOBER 26, 27

In conjunction with national Make a Difference Day, Louisville's 3rd Annual Octoberfest is set for October 26 and 27. Once again, the event will provide a venue for charitable, civic and church organizations to raise funds. Last year's event raised approximately \$12,000.

The festivities begin on Friday evening as barbeque teams stoke up their smokers preparing for the fierce competition in the Barbeque ThrowDown on Saturday. Pistol Creek Catch of the Day will provide live entertainment from 7:00-9:30 p.m. Louisville's own Dockside Grill will sell burgers & wings.

Saturday's fun includes fun activities for all ages: a KidZone, Corn Hole Toss Tourney, Arts & Crafts Displays, Antique Cars & Tractors, antique farm equipment demonstrations and announcement of the Barbeque ThrowDown winners. The Blue Ribbon Contest for stack cakes, pies, and canned goods is back by popular demand.

Local Businesses are asked to sponsor the various events.

The Deep End Band and other entertainment will be featured on the community stage. Check our website listed below for updates to the stage.

Only vendors seeking to raise money for charitable, civic or church organizations will be permitted. Barbeque sales will go to each team's designated charity.

Any business interested in sponsoring an activity or an organization wishing to participate as a vendor or barbeque team, please contact Linda Webb at Town of Louisville at 865-681-1983 or visit the town's website at www.townoflouisville.com. Applications & registration forms are available online.
