Mayor's Report:

Mayor reported on the status of the current Beer Ordinance 2010-26. The mayor reported that the records are unclear and contradictory relative to the Ordinance 2010-26. The Mayor explained the questionable areas and proposes going back to the original Beer Ordinance 1991-7 as amended in 1993 and 1995. The Mayor will recommend to the BMA the repeal of the current 2012-26 and return to the amended 1991-7 Beer Ordinance. This process of returning to the

original Beer Ordinance can be completed at the June 10, 2014 BMA Meeting after first reading in May and a Public Hearing on June 10.

Mayor Bickers reported that K2 had asked for a one time permit but has been refused due to interpretation of the current ordinance. The Beer Board could consider recommendations for special events and make recommendations to the BMA.

Business Items:

Consideration of the beer permit application for Joshua Enterprises was postponed until June 24, 2014 to allow resolution by the BMA of the Beer Ordinance issues.
