Consideration of the application for beer sales permit by Louisville Landing Marina, 2932 Boat Dock Road, Louisville, Tennessee 37777

The Beer Board reviewed the application and there were no changes or questions regarding content. Chairman Gormley commented that since this location has had numerous previous beer permits, there should be no issue with distance to churches or similar public parcels. Therefore, no map is required with this permit application since distance issues have been addressed and approved in previous applications. This application is simply the transfer of an existing permit to new proprietor.
